Be sure to let us know how we can assist in making the transition to the new Library set-up a smooth one; whether that be helping you book your Creation Station time, or just guiding you through the new bookshelves layout.

We are so excited and happy to welcome you back to your Library!

Board of Trustees Position Available

The Pendleton County Public Library is seeking residents with a passion for libraries who are interested in serving on the Board of Trustees. The Library is a special purpose governmental entity, governed by a five member Board of Trustees dedicated to supporting and developing the Library's mission to connect our community, explore the world, imagine what can be, and create.

This is a non-paid, volunteer position. Applicants must be able to attend regular monthly meetings, currently held on the third Monday of every month at 6:30 p.m. and lasting 1-1½ hours. Trustee responsibilities include reading prepared materials prior to the meetings; reviewing and approving Library policies and budget; and being an advocate for the Library.

The available positions will be eligible to serve one additional four-year term. Selection is based upon diversification, representation of the geographical regions of the county, and developing an array of professional experience that will benefit the Board's decision-making abilities.

Interested applicants are asked to submit an application. These may be picked up at the library.

We look forward to hearing from you!
