SIP2GO is open at PCPL until July 17.

Science in Play2Go is the mobile version of Kentucky Science Center's progressive next-generation learning experience. It empowers children and adults to learn together, and for life, all through the power of play. Designed specifically for children ages 8 and under, *Science in Play2Go* is built around the twin concepts of open-ended play and "loose parts" – materials that can be reimagined in countless ways – allowing children to naturally develop 21st century learning and STEAM skills.

With key elements that embody the philosophies behind the Science Center's permanent exhibit, *Science in Play2Go* will visit libraries across Kentucky for 3-month residencies at no cost to libraries for their visitors. The traveling exhibit is open to the community free of charge.

Science in Play2Go is made possible with support from the Kentucky Department of Libraries and Archives.

Board of Trustees Position Available
The Pendleton County Public Library is seeking residents with a passion for libraries who are interested in serving on the Board of Trustees. The Library is a special purpose governmental entity, governed by a five member Board of Trustees dedicated to supporting and developing the Library's mission to connect our community, explore the world, imagine what can be, and create.

This is a non-paid, volunteer position. Applicants must be able to attend regular monthly meetings, currently held on the third Thursday of every month at 6:30 p.m. and lasting 1-1½ hours. Trustee responsibilities include reading prepared materials prior to the meetings; reviewing and approving Library policies and budget; and being an advocate for the Library.

The available position will complete an unfulfilled term ending 6/30/2026 and will be eligible to serve one additional four-year term. Selection is based upon diversification, representation of the geographical regions of the county, and developing an array of professional experience that will benefit the Board's decision-making abilities.

Interested applicants are asked to submit an application. These may be picked up at the library.

We look forward to hearing from you!
