

## Take your GED® exam online!

To test online at home, you will need a reliable computer and internet. Here are the specifications for what you need:

- Desktop or laptop running Windows 8.1 or better
- Microphone
- Speakers
- Webcam
- Stable, reliable internet access

There are a few other requirements to test online at home:

- You must be at least 18 years old.
- You must have a private room with 4 walls and a door that closes.
- There can be no interruptions once you start a test.
- You must have a government-issued ID.

## How the Online GED® Test Works

1. Perform a system test to make sure your computer, webcam and internet connection meet the requirements for testing online.
2. Schedule your online test within 60 days of scoring 'green' on a GED Ready practice test.
3. Log in to GED.com 30 minutes before your test appointment to launch your test.
4. Follow the on-screen steps to check-in for your test including verifying your system, I.D. and workspace.
5. Take your test while an online proctor monitors you just like they do at a test center.
