Leaders**

### Summer Reading Kick-Off

**Saturday - June 3 - 11:00 am - 1:00 pm**

To celebrate this year's "Readers Are Leaders" Summer Reading Program, Crystal Clear Science will be here for two back-to-back shows.

**June 3 at 11:00 am** we will host "Springy Science". We will combine the topics of natural resources, stored and potential energy, nature, toys and weather in a way that is educational, memorable and fun.

**June 3 at 12:15 pm** we will host "Radical Rockets".

Blast off with hands-on, minds-on presentations of the physics behind rockets. This program challenges attendees to work in teams to see who can get the most amount of rocket launches.

### Family Paint Nights

Join us for Family Paint Nights. These three paint programs are open to all ages. There will be limited seating and registration is required. Registration will open for each event one week before. Due to the limited seating, you cannot register for all three programs at the same time. To register, please call 859-654-8535.

## Science In Play2Go Play Specialist Programs

Every Friday from June 9 - July 14, at 2 pm, the Kentucky Science Centers Play Specialist, Cassidy Reed, will be leading a Science Program that is both educational and fun.

Due to limited seating, registration is required for these programs. To register, please call 859-654-8535.

# SIP2GO is open at PCPL until July 17.

Science in Play2Go is the mobile version of Kentucky Science Center's progressive next-generation learning experience. It empowers children and adults to learn together, and for life, all through the power of play. Designed specifically for children ages 8 and under, Science in Play2Go is built around the twin concepts of "open-ended play and "loose parts" – materials that can be reimagined in countless ways – allowing children to naturally develop 21<sup>st</sup> century learning and STEAM skills.

With key elements that embody the philosophies behind the Science Center's permanent exhibit, Science in Play2Go will visit libraries across Kentucky for 3-month residencies at no cost to libraries for their visitors. The traveling exhibit is open to the community free of charge.

Science in Play2Go is made possible with support from the Kentucky Department of Libraries and Archives.

**Board of Trustees Position Available**  
 The Pendleton County Public Library is seeking residents with a passion for libraries who are interested in serving on the Board of Trustees. The Library is a special purpose governmental entity, governed by a five member Board of Trustees dedicated to supporting and developing the Library's mission to connect our community, explore the world, imagine what can be, and create.

This is a non-paid, volunteer position. Applicants must be able to attend regular monthly meetings, currently held on the third Thursday of every month at 6:30 p.m. and lasting 1-1½ hours. Trustee responsibilities include reading prepared materials prior to the meetings; reviewing and approving Library policies and budget; and being an advocate for the Library. The available position will complete an unfulfilled term ending 6/30/2026 and will be eligible to serve one additional four-year term. Selection is based upon diversification, representation of the geographical regions of the county, and developing an array of professional experience that will benefit the Board's decision-making abilities. Interested applicants are asked to submit an application. These may be picked up at the library. We look forward to hearing from you!

**Library Hours:**  
 Monday - Friday: 9 am - 8 pm  
 Saturday: 9 am - 5 pm  
 Sunday: 1 pm - 5 pm

Check our website and social media pages for updates on services, hours, and programs.
